

Music and Dance Club

‘Music and Dance Club’ brings together dancing, singing, aspects of musical theatre and lots of fun and games for children at Howes Primary School!

Sessions are taught by a qualified dance teacher and will incorporate dance moves, as well as lots of singing with actions. The children will also have the chance to create their own dance pieces with their friends. We strive to give children fun and memorable music and dance experiences. experiences that will benefit them in many ways.

Our classes are the perfect opportunity for children, both boys and girls, to develop in confidence as well as enjoying the performing arts. Children have the chance to perform in school assemblies and at school events if they would like to.

The classes are £2.50 per session and you will be invoiced each half-term. There is no charge if your child has free school meals.

They take place on a Tuesday lunchtime from 12:30—1pm. If you would like your child to join the club, then please complete the form below and return to school.
