

FREE Course - Support your child with Maths and English

We are very excited that at Howes we have recently received funding from the National Lottery to improve our outdoor learning area. We will be using this to help children at Howes with English, Maths and Science.

As part of this project we are offering Nursery, Reception, Year 1 and Year 2 free family learning sessions to help you support your child's learning in these key areas.

The family learning sessions will take place on:

- Tuesday 24th April 9-11am
- Tuesday 1st May 9-11am
- Tuesday 8th May 9-11am
- Tuesday 15th May 9-11am
- Tuesday 22nd May 9-11am

These sessions will take place in school and also outdoors. There will also be an optional session on each of these days to work in the outdoor area with your child from 3.15-3.45pm. The free afternoon session is only available to those attending the morning session.

There is free childcare provided for the morning sessions

Please return reply slip by Tuesday 17th April.

Family Learning – Maths, English and Science Outdoors

- I would like a place on the Family Learning Course on Tuesdays 9-11am.
 I would like free childcare.
