Dear Parents,

I am writing further to the letter that was sent to you in September 2017 regarding the possibility of Howes Primary School becoming part of Finham Park Multi Academy Trust (MAT).

Due to the current educational financial climate the decision has been reached that we will not be joining the Trust at this time.

As Governors, we are particularly proud of the progress that our school has made which was reflected in the achievements of the children in their Key Stage Two tests in the summer.

We will continue to work with the Local Authority to ensure that the children at Howes receive the best education.

Yours sincerely

Sue Roberts
