27th September 2017

Dear Parents

Maths Events

In order to help you support your child with Maths we have organised some workshops that explain how we teach Maths.

Calculations Workshops

On Wednesday 4th October we are going to run a calculations workshop from 2.15 - 3.15pm. This will be repeated at 5-6pm. You will find out how we teach addition, subtraction, multiplication and division in all year groups.

Family Learning – Maths

From Tuesday 31st October the family learning service will be running workshops specifically aimed at parents with children in Nursery, Reception, Year 1, Year 2 and Year 3. These sessions will take place every Tuesday from 9-11am. We provide free childcare, refreshments and resources.

It would be helpful if you could let us know if you are able to attend any of our sessions by returning the reply slip by Monday 2nd October. Thank you.

Mrs Bollands

Maths Events

Child's name..... Class.....
