Dear Parents/Carers

Year 6 will be having a weekly music lesson throughout this term in which your child will learn to play the recorder.

We will have our school recorders for the children to use and anti-bacterial wipes for the mouth piece as the children will be sharing the recorders

If you would like to purchase a recorder so your child has their own and can practise at home, we are able to supply this at a cost of £2.50. If your child already owns their own recorder or you would like to purchase your own, they are welcome to bring these into school instead.

We shall be placing an order for recorders, so if you would like us to order one for your child via the school please use the slip below and send in the correct money before Friday 13th October. We shall send your recorder home once it has been received.
