28.4.17

Dear Year One Parents and Carers,

We hope that you have all had an enjoyable Easter break. The children have come back recharged and full of energy and we are all excited about the new term ahead. We hope that the following information proves useful to you, but please feel free to come and discuss with us any other questions you may have.

**Curriculum:**

Topic – Scented Garden

English- Instructions, Fantasy Worlds, Recounts, Poetry

Maths- Number and Place Value, Addition and Subtraction, Fractions, Measures including Time and Money, Geometry including properties of shapes and direction and movement, Multiplication and Division

RE – Buddhism, Celebrations

Science- Learning about Plants

PE – Commando Joe; Team Games; Athletics

**Homework:**

Children in Year 1 will be given an English/Maths or Topic based piece of homework related to work we have been doing during the week. Homework will be sent home on Fridays in the children's homework books and is to be **completed and handed in by the following Wednesday**.

**Spellings** – All children will receive spellings each Friday to learn for a test on the following Friday. They will be given their spellings in their spelling book and asked to practice using the look, cover, write check method. These spellings will be based around a spelling pattern; however the words will be differentiated depending on the child's group. To extend your child's spelling learning you might like to discuss other words with them that follow the same pattern and practice putting them into sentences.

**Reading** - Children are also expected to read for at least 20 minutes daily, as part of their homework. We suggest you encourage your child to read regularly and to bring the book to school every day.

**Please ensure that you sign your child's reading journal at home each time they read, either to an adult or independently and kindly leave a note in the journal to state that the book has been read/completed where it can then be changed.**

**PE/Commando Joe:**

The children have PE on **Thursdays and Fridays**. Please ensure that your child has a named PE kit which should consist of a plain white T-shirt, black shorts and pumps; they can bring plain black/navy jogging trousers and jumper if it is colder outside and trainers for outdoor lessons only. PE kits should be brought into school in a named, drawstring bag please. If for any reason your child is unable to take part in PE lessons we require a note of

---

explanation. Please can you remind your children that earrings should be removed before PE lessons.

Most Commando Joe sessions will take place outside (whatever the weather!) and therefore the children will need suitable outdoor clothing, shoes and a waterproof coat in the event of rain.

### **Uniform:**

Please also ensure that your child attends school wearing the correct school uniform. For information about this please visit: <http://howesprimary.co.uk/Uniform/>

Children with long hair should also come to school with their hair tied back please.

### **Indoor/Outdoor Shoes:**

At Howes we ask the children to wear a pair of outdoor shoes to and from school and whilst outside at playtime/lunchtime as this enables them to make the most of the school grounds during the wetter weather. Once they arrive at school we ask the children to change into indoor shoes. In the Early Years and KS1 many of the children keep a pair of wellington boots at school that they can wear outside whatever the weather. Please could we ask you to encourage your child to bring a pair of named indoor shoes to keep at school, such as slippers, school shoes or pumps. Thank you.

### **Playtime Fruit and Snacks:**

Fruit at playtime is provided for children in Early Years and Key Stage 1, however if your child wishes to bring in their own snack from home then we are still keen that children think carefully about making healthy choices for their playtime snacks. Children may also bring in a labelled **water** bottle each day, which can be kept in the classroom. Please can all children make sure that they take their water bottle home at the end of the day.

Please can we remind you that children should not bring any nuts to school either as a snack or as part of a packed lunch thank you.

### **Behaviour Expectations**

Howes is a friendly and caring community and we are keen for our children to take on these and other values. Our house point system is proving effective at encouraging children to follow our golden rules and values. We would still very much like parents and carers to help us in reinforcing these rules and values with the children.

Please can children be reminded that they should not bring toys into school, unless they have been given permission to do so.

### **Celebration Assemblies**

Our 'Celebration Assembly' takes place on a Friday morning at 9am. This is an opportunity for teachers to nominate two children from each class per week, to receive an award for an aspect of outstanding work, achievement or behaviour. Parents will be invited to come into school for the assembly when their child is awarded their certificate. You will receive a letter on a Wednesday to inform you that your child has been nominated.

### **Absences and Medical Needs:**

We would like to remind you that if your child is going to be absent please telephone the school office at the number above as soon as possible. Any medication that your child requires during the day should be given to the Office, for a First Aider, in the original container and a medical administration consent form needs to be completed. Inhalers must

be labelled and be handed in to your child's class teacher to be stored safely in the classroom.

**Timings of the day:**

The start of a Howes school day in Year 1 begins with an English lesson starting straight after the register is taken. It is therefore very important that all pupils arrive promptly in order to start the school day at 8.55am. So that children are ready to come into school at this time, we would ask that all children are present on the playground at least 5 minutes before the school bell sounds.

The end of the school day for pupils is Key Stage 1 is at 3.15pm. Please note that this is 5 minutes earlier than Key Stage 2 pupils.

**Parent Helpers:**

At Howes we recognise the valuable contribution that all members of our community make to our school. We are lucky to have so many parents and carers who show commitment to Howes in so many ways. We are always happy to welcome helpers into the classroom, so if you would like to volunteer to help in any way please do come and speak to Mrs Bollands. We may also need additional adult support for our upcoming trips so please let us know if you are available.

**Important Events for Year One pupils:**

1st May	Bank Holiday- school closed
2nd May	One Body, One Life Family Learning course begins
10th May	Friends of Howes meeting 6-7pm
