16th May 2017

Dear Parents

Years 5 and 6 are currently working on their new topic – Gardener's World. This exciting topic is linked to land use and developing themed gardens.

The children will be spending a lot of topic lessons outdoors learning about plants, trees and the environment. They will be creating their own gardens on the school field.

Please could all children have some old clothes in school suitable for gardening. Clothes that would be ideal are old trainers or wellies; an old tracksuit or old trousers and a sweatshirt; old gloves. It would be really helpful if these clothes could be in by Thursday and kept at school until half term. They will need them again straight after half term.

Any donations of seeds, plants or cuttings would be greatly appreciated.

Thank you for your help with this.

Mrs Townsend and Mr Watson
