10<sup>th</sup> January 2017

Dear Parents

### Year 6 International Manufacturing Centre Visit

As part of the Greenpower kit car competition that a group of Year 6 pupils won, we are taking a group of children to the International Manufacturing Centre at Warwick University. The children will get the opportunity to work with the Warwick Racing Team. We will be going by minibus on Wednesday 25<sup>th</sup> January from 1 – 3.15pm. Children should wear school uniform as usual.

After the visit, the engineering team will be building the car as part of the science curriculum on Wednesday afternoons. The business and media teams will be working on marketing and promotional materials as part of the English curriculum.

Please do not hesitate to contact me if you have any questions about this visit.

Thank you.

Mrs Bollands
