Free from vomiting for 48 hours.

• I have diarrhoea -  
Within the past 24 hours. 

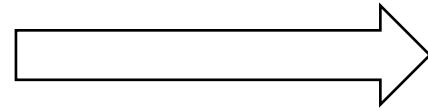

Free from diarrhoea for 48 hours.

• I have a rash -  
Body rash with itching or fever. 

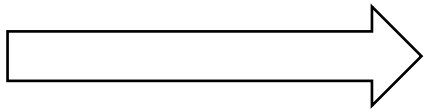

Free from rash, itching or fever.

• I have head lice -  
Itchy head, active head lice. 

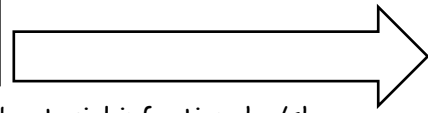

Treated with appropriate lice treatment at home.

• I have an eye infection -  
Redness, itching and or pus  
draining from the eye 

Free from drainage and/or have been treated by the doctor if needed.

I have been in hospital -  
Hospital stay and/or emergency room visit 

Released by the medical staff and the return to school was agreed.

- If your child has strep throat or another bacterial infection, he/she should stay home until the antibiotics have been given for at least 24 hours and your health care provider has given permission for your child to return to school.

**I am ready to go back to school when I am.....**

- We encourage you to seek medical attention when your child is sick and to follow your provider's recommendations about returning to school and other activities.
