

# Music

Howes Primary is very proud to have been awarded Music mark for being recognised by the Local Authority as having a love of music, the ability to inspire children to become talented musicians through providing high quality teaching and many opportunities to experience music in different genres and forms. Music is taught separately and within topic work, as part of the cross curricular approach within classroom activities. We have a weekly singing group, which is rapidly building up its proficiency and reputation in the area through singing within the community and at events in the town centre. Years 3 and 4 are given the opportunity to participate in Young Voices every two years. Year 5 learn how to play the recorder. There are also many opportunities for the children to perform in assemblies, school concerts and in the community.
