

It has been lovely to start welcoming Nursery and Reception children back to school. We have been impressed with how sensible they have been following the new rules that are so important to keep everyone safe.

The full details of our phased re-opening and new routines are on our website - <https://howesprimary.co.uk/news-events/covid-19/>

A big HELLO from the Christ Church vicarage to all the families of Howes Primary, and an even bigger THANK YOU to all the children who made hugs for our elderly. These have been gradually sent out by post and have brought a big smile to many. Our thoughts and prayers are with you, especially Year 6 who may not spend much time with friends and staff before moving on to Secondary schools. We imagine this is a great sadness, and you may be nervous about the transition. We wish you every success.

It has been a busy time for us as so much of church life has shifted online, including all our youth groups and Sunday school classes. A lot of time has been spent just calling people, making sure that everyone has regular contact and not feeling forgotten. We hope you have everything you need to keep going during lockdown. If you would like a chat, or need help getting medicines or foods, we can get help to you. You can call me on 02476 502770.

I look forward to when I can see you for assembly again. Until then, keep well!

Arthur (Vicar of Christ Church Cheylesmore)

Congratulations!

We would like to pass on our congratulations to Mrs Ceairns on the safe arrival of her baby girl.

Cress Heads

Thank you for all your lovely cress head photos. Please keep sending them to us. We would love to hear what you have done with your cress after it has grown.
