

Howes Newsletter Friday 26th June

We have been very pleased to welcome Year One and HIU pupils back to school this week and we are looking forward to seeing Nursery, Reception, Year One, HIU and Year 6 pupils who have requested a place next week.

****We would like to remind you that we need one week's notice for a child to return to school.****

When your child is due to return to school, please remember the following:

- It is important to arrive and leave school at the specified times so that we can limit the numbers of people entering and leaving the school site at one time.
- All children must be accompanied by an adult.
- Children should not bring in school and PE bags. They should just have lunch in a disposable bag and a named water bottle.
- Please ensure that you apply sun cream to your child before school. On hot days the children need a sun hat to protect them.
- If your child is eligible for Free School Meals and you would like them to have one on the days that they are at school, please email or phone us in advance. If your child chooses to have a Free School Meal, you will stop receiving the vouchers.

The full details of our phased re-opening and new routines are on our website -
